As provided by the OCM/OEM, copies of the manufacturer’s certificate of compliance will be retained by RFMW for a period of 10 years. In compliance with AS6496.

Conflict Minerals:
RFMW is aware of the conflict minerals reporting obligations legislated by Section 1502 of the U.S. Dodd-Frank Act. We are a franchised distributor of RF and Microwave products, i.e. COTS. As such, we do not manufacture, nor influence the manufacturing of products delivered by the OEM/OCM’s listed on our linecard. However, our desire is to be responsive to our customer’s request. We continue to perform our due diligence with our suppliers in an effort to assist in your conflict mineral investigation. Please contact us for detailed information.
