RFMW Announces Participation at IMS2019 in Boston

5/7/2019 – San Jose, California: RFMW, Ltd. announces participation at the IMS2019 IEEE symposium to be held in Boston, Massachusetts June 2 to 7. IMS (International Microwave Symposium) is the premier conference and exhibition for RF design engineers to learn about the latest topics and new products important to the RF and Microwave industry. As an exhibitor, RFMW is highlighting products and technologies from key supplier partners in booth 850. RFMW is the premier RF and Microwave distribution provider. Sales engineers and application specialists will be on hand to support specific project questions and component design considerations. RFMW, it’s who we are, it’s what we do.

About RFMW

RFMW is a specialty electronics distribution company focused exclusively on serving customers that require RF and microwave components and semiconductors, as well as component engineering support. The company continues to expand its list of products from selective suppliers with RF/microwave expertise. RFMW deploys a highly experienced, technically skilled team to assist customers with component selection and fulfillment.
