PRODUCT LIFE CYCLE DISCONTINUATION NOTICE

Spectrum Control Inc. (SCI) is committed to providing our valued customers with cost-effective products that meet high quality standards. To ensure that commitment, SCI periodically evaluates the features and cost effectiveness of current product lines to ensure we meet these goals. In consideration of these reviews, Spectrum Control has determined that the following product(s) would be discontinued:

Part Numbers	Current Status
6A-XX & 6AH-XX Model, Fixed Attenuator, SMA-M/F, DC-6GHz 2W. All dB values discontinued including 6AH-00.	<p>Obsolete COTs / Catalog part. There may be a small amount of stock available on select dB values such as 6AH-20, 6AH-03M, and 6A-01.</p> <p>Replacement is the 18A-XX & 18AH-XX Model (higher frequency).</p>

Spectrum Control Inc. appreciates and values our business relationship and looks forward to your continued interest in our products. We are eager to supply your future requirements with our world class quality products.

If you have any questions, please contact your Spectrum Control Product Line.
